BTEC Level 2 Award in Awareness of Dementia (QCF)

The BTEC Level 2 Award in Awareness of Dementia provides learners with a solid awareness of dementia care issues and is suitable to be taken by learners aged 16 and older.

This qualification can be taken as preparation for employment as well as professional development for those interested in specialising in this area of care as it does not infer occupational competence.

This qualification is supported by Skills for Care and Development and is informed by the National Occupational Standards in Health and Social Care.

BTEC Level 2 Award

The BTEC Level 2 Award in Awareness in Dementia is an 8-credit and 72-guided learning hour (GLH) qualification. It consists of 4 mandatory units. Guided learning time covers all learning relevant to the learning outcomes, regardless of where, when and how the learning has taken place.

Unit	Unit code	Mandatory units	Credit	Level	GLH
1	DEM201	Dementia Awareness	2	2	17
2	DEM202	The Person-centred Approach to the Care and Support of Individuals with Dementia	2	2	17
4	DEM205	Understand the Factors that can Influence Communication and Interaction with Individuals who have Dementia	2	2	18
5	DEM207	Understand Equality, Diversity and Inclusion in Dementia Care	2	2	20

The knowledge gained through the achievement of this qualification can be used to demonstrate competence in the BTEC Level 2 Certificate in Dementia Care.
